

Permit Service Terms and Conditions:

An escrow account will be established for you in SDAPS to be used to pay for permits. You may also pay for permits via credit card. Users can fund their escrow account using a credit card. The funds in the escrow account will be used for the purchasing of South Dakota permits only. Refunds will be processed and credited back to the escrow account. The escrow account may be closed at any time with written notice to the South Dakota Department of Public Safety. All funds remaining in the escrow account at the time of closure will be returned to the customer at the address on file for the account. This agreement is made between the customer and the South Dakota Department of Public Safety. To complete activation of an escrow account, check the box acknowledging this agreement.
